Dear Ms Koch,

Complaint No. 12

I acknowledge receipt of your letter dated 8 July 2016 attaching six copies of your complaint form amended with the list of annexes, and new version of Annexes 6 and 34, on the 12th complaint that you have filed with the Tribunal against the European Patent Organisation, as well as your emails of various dates.

Having checked one set of your submissions and considering that the five other sets are certified to be true copies by your signature on page 3 of the complaint form, I have transmitted your complaint to the defendant, with an invitation to reply.

We shall in time be inviting you to enter a rejoinder.

The Registry is deluded with many cases and we try our best to deal with them, plus correspondence, requests, etc. as soon as we can. Therefore, it would be appreciated if you could be patient until we acknowledge receipt of your submissions and to stop bombarding us with your emails. Your messages just delay the review of your submissions.

Yours sincerely,
